

SAGE
What's wrong?

JACKIE
Nothing

SAGE
What?

JACKIE
Nothing.

SAGE
That's it? That's all you have to say.

JACKIE
That, and go away.

SAGE
Listen, I know.

JACKIE
You don't know anything.

SAGE
Sarah told me your parents are splitting up.

JACKIE
Sarah should learn to mind her own business.

SAGE
You want to talk?

JACKIE
Does it sound like I want to talk?

SAGE
Why do you always have to make it so hard?

JACKIE
Make what so hard?

SAGE
Make it so hard for people to be nice to you?
